

# School of Christian Living Web Seminar

The Western Diocese School of Christian Living Commission is pleased to announce its first ever Web Seminar, to be held on Saturday, September 18, 2010, beginning at 9:30 a.m. (ct) and lasting approximately 90 minutes. Our presenter will be Bishop Anthony Kopka, chair of the National School of Christian Living Commission. His presentation will be on the new materials which have been produced by the National SoCL Commission, with emphasis on the material "The History of the P.N.C.C."

The Western Diocese was the first in our Church to introduce the School of Christian Living program and we are pleased to be the first to have a Web Seminar. A Web Seminar addresses our growing challenges of gathering all interested teachers, clergy, and superintendents together in an economical and time efficient manner. We believe a Web Seminar is a great solution to these challenges.

Below you will find a registration form. Please provide your email address on the form so that instructions for participating in the Web Seminar can be sent to you electronically. If you are aware of other interested persons, feel free to make as many copies as you need of this information and registration form.

Please complete and return the registration form by September 11, 2010 to:  
Western Diocese SoCL Web Seminar, 159 N. Summit Drive, South Bend, IN 46619

We are looking forward to our Web Seminar and hope you can participate!  
Sincerely in Christ,  
Rev. Father Charles Zawistowski, Chair  
Western Diocese S.o.C.L. Commission
