E-Posters and Poster proposal submissions will include the following information:

- Title: a title for the poster.
- Proposer: include name, affiliation, and email address. Correspondence related to the conference will be sent by email.
- Abstract: a description of the poster.
- Content: A description of the expected content of the poster, along with an indication of why the topic is significant: why conference attendees will find it interesting.

E-Posters must be submitted electronically as a PDF and follow these specifications:

One PowerPoint Slide using the 16:9 ratio resolution setting.

Use a sans serif font (example: Arial)

No video

Maximum file size 10 MB

Save the final slide presentation as a .PDF file.

Proposals will be evaluated for inclusion based on the clarity of the abstract, the relevance of the topic, and its appeal to attendees. Please provide the following information when you submit your proposal:

Contact information of the presenter(s)

List of co-author names and affiliations (if applicable)

Title of presentation

Abstract (200 words or less)

Presenter(s) bio (100 words or less)
